

Living to 100: Early Bird Registrations

Don't miss out on early bird rates for CHeBA's 'Living to 100' Conference - which is bringing together a variety of international and local experts to unravel the secrets of successful ageing. Early Bird rates available until 31st May. For full details please click [here](#).

CHeBA's Latest Research: Brain Activity at Rest Provides Clue to Intelligence

Researchers at CHeBA have examined magnetic resonance imaging (MRI) images of the brain and have found the level of activity in the resting brain has a direct link to the ability to do well on cognitive tests. The results were published in the journal *Brain Imaging and Behaviour*.
