

Property Industry Wipeout Dementia at Bondi Beach

Wipeout Dementia is on again this Friday, 25 November, with three teams set to surf off against each other (under captains Peter Clemesha of Avenor, Philip Vivian of Bates Smart and Craig Rodgers of Charter Hall), all in the name of dementia research. 25 senior executives from the property industry have generously raised close to \$50,000 toward a goal of \$75k for CHeBA.

Ambassadors 1978 World Surfing Champion Wayne 'Rabbit' Bartholomew and former Chairman of ASP (International) Ltd Richard Grellman extended their thanks to the surfers, major sponsors Morgans and Kennards Hire, secondary sponsors Ray White Commercial and Colliers International and in-kind supporters Hurley and The Bucket List. Last chance to sponsor a surfer!

Forgetfulness, stress or memory fail?

Memory loss can be caused by a variety of factors and the data shows that while dementia can be involved, lifestyle can also be a likely culprit. CHeBA researcher and neuropsychiatrist Dr Adith Mohan was interviewed by the Sydney Morning Herald on the things to consider when looking at memory disorders.
