## Wipeout Dementia

The 3rd property industry Wipeout Dementia has officially kicked off! Four teams captained by Peter Clemesha, Philip Vivian, Craig Rodgers and Steve Watson are getting ready to compete while raising funds for CHeBA's research. In the lead up these surfers will increase their own physical activity and participate in strength for surfing training. Check out all the surfing shots and show your support!

## Seeking Volunteers for Study of Computerised Memory Testing!

Are you aged 60 or over? CHeBA researchers are seeking volunteers to help evaluate computer-administered cognitive tests as a new technology with enormous potential to improve the way we evaluate memory and thinking in older adults. Contact Study Co-ordinator Karen Allison on [k.allison@unsw.edu.au](mailto:k.allison@unsw.edu.au).
