

Healthy Brains. Positive Ageing

## Research Update: The Dementia Momentum initiative

CHeBA's researchers are harnessing the power of international consortia to learn more about the risk and protective factors involved in dementia and successful ageing. This year, consortia led by CHeBA have continued to grow in membership, with COSMIC now encompassing individuals from all 6 populated continents.

## CHeBA Champion Karina Bunker Finalist in Telstra Business Woman of the Year

CHeBA Champion Karina Bunker, who recently completed her first ultramarathon and raised funds for The Dementia Momentum, is a finalist in the SA Telstra Business Women Awards in the Purpose & Social Enterprise category. This category recognises women who are passionate, courageous and able to inspire and enact change in the community sector.

We congratulate Karina on an incredible achievement.

## Wipeout Dementia Preview Hosted by AMP Foundation

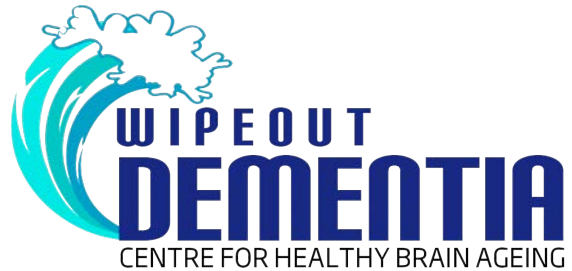

AMP Foundation kindly hosted a Wipeout Dementia preview on Wednesday, 7th October with speeches by Richard Grellman, Peter Chittenden and John Cunningham. A captive audience was told that a Mark Richards replica twin fin surfboard is up for grabs to the highest fundraiser at our next event in November, thanks to a very generous supporter.
