Worry Less, Be Kind!

People who live to 100 are positive, friendly and have a strong will to overcome difficulties according to international guest at CHeBA's Living to 100 conference, Professor Nobu Hirose. SMH interviewed Professor Hirose and Sydney Centenarian Study participant Mr Tom Sample - who at 97 is a perfect example of positive ageing!

Twin Study Grant Success

CHeBA has been successful in a collaborative grant bringing together existing twin studies to contribute to a clearer understanding of the mechanisms underlying genetic and non-genetic risk and protective factors for Alzheimer's disease and related dementias. Data from CHEBA's Older Australian Twins Study will be critical in the formation of the Interplay of Genes and Environment in Multiple Studies (IGEMS) consortium. *Funded by the National Institutes of Health, USA.*

Are you over 60 and currently dating or looking for a relationship?

SBS Insight program, the forum show hosted by Jenny Brockie, is looking for people aged 60 plus who are currently dating or would like to find a new relationship. We'd like to hear your opinions and experiences? All conversations confidential. Please contact Alex at alex.tarney@sbs.com.au or on 02 9430 3843.
